

Armadale Road to North Lake Road Bridge

BRIDGE OVER THE KWINANA FREEWAY CONNECTING ARMADALE ROAD WITH NORTH LAKE ROAD, ALONG WITH APPROACH ROADS AND FREEWAY ON/OFF RAMPS

ISSUES

- Cockburn Central is experiencing higher volumes of traffic resulting in congestion. This is due to the growth of the Cockburn Gateway Shopping Centre, surrounding commercial, retail and residential areas and the area's proximity to Cockburn Train Station and Kwinana Freeway.
- The interchange of Armadale Road, Kwinana Freeway and Beeliar Drive was the Perth Metropolitan Area's 5th most congested intersection in 2016, with annual congestion costs over \$10 million.

BENEFITS

Direct link between North Lake Road and Armadale Road, bypassing traffic at Cockburn Central

Easier access to Kwinana Freeway

Improve access to and from Cockburn Central Train Station

Support residential and commercial expansion in Cockburn and Armadale

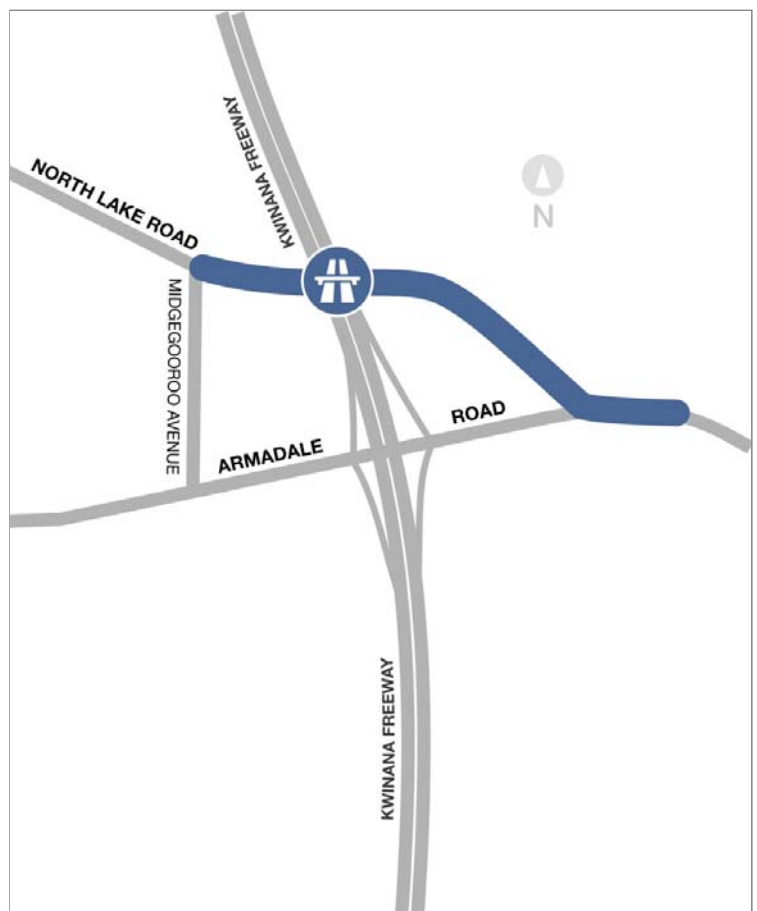

ESTIMATED COST

\$237 million

JOBS CREATED *

1,400

Construction expected to begin in FY 2018/19

Australian Government

BUILDING OUR FUTURE

* Job creation numbers are the estimated direct and indirect jobs created as a result of the infrastructure component of the project.
