The Metropolitan Road Improvement Alliance, on behalf of Main Roads WA, is delivering the Wanneroo Road Widening, Joondalup Drive to Flynn Drive project in your area as part of a $2.3 billion package of road and rail infrastructure projects funded by the Australian ($1.6 billion) and State ($750 million) Governments.

The project will see the 3.2 km section of Wanneroo Road between Joondalup Drive and Flynn Drive upgraded from one to two lanes in each direction to alleviate congestion and enhance road safety. Construction is scheduled to be complete in late 2018.

Temporary road closures – Carramar Road and Golf Links Drive

The existing Carramar Road and Golf Links Drive intersections with Wanneroo Road will be upgraded to tie-in with new dual-carriageway on Wanneroo Road, remaining uncontrolled, full-access intersections.

To enable construction of the Wanneroo Road/Carramar Road and Wanneroo Road/Golf Links Drive intersection upgrades to be completed as quickly as possible and lessen the duration of construction impacts for local residents and road users, temporary road closures are planned in two stages.

**STAGE 1 – Wanneroo Road / Carramar Road**

A temporary closure of Carramar Road at Wanneroo Road will be in place from **1 March to early April 2018**.

The road closure and associated traffic diversions will remain in place all day and night for the duration of the work period. Some night work may be required for activities such as kerbing, sealing of the road and temporary line marking, and neighbouring residents will be notified separately in advance.

Full access to all properties will be provided under traffic management.

**Notice to residents**

MARCH 2018

Wanneroo Road Widening

Joondalup Drive to Flynn Drive

**Notice to residents**

The Metropolitan Road Improvement Alliance, on behalf of Main Roads WA, is delivering the **Wanneroo Road Widening, Joondalup Drive to Flynn Drive**, project in your area as part of a $2.3 billion package of road and rail infrastructure projects funded by the Australian ($1.6 billion) and State ($750 million) Governments.

The project will see the 3.2 km section of Wanneroo Road between Joondalup Drive and Flynn Drive upgraded from one to two lanes in each direction to alleviate congestion and enhance road safety. Construction is scheduled to be complete in late 2018.

Temporary road closures – Carramar Road and Golf Links Drive

The existing Carramar Road and Golf Links Drive intersections with Wanneroo Road will be upgraded to tie-in with new dual-carriageway on Wanneroo Road, remaining uncontrolled, full-access intersections.

To enable construction of the Wanneroo Road/Carramar Road and Wanneroo Road/Golf Links Drive intersection upgrades to be completed as quickly as possible and lessen the duration of construction impacts for local residents and road users, temporary road closures are planned in two stages.

**STAGE 1 – Wanneroo Road / Carramar Road**

A temporary closure of Carramar Road at Wanneroo Road will be in place from **1 March to early April 2018**.

The road closure and associated traffic diversions will remain in place all day and night for the duration of the work period. Some night work may be required for activities such as kerbing, sealing of the road and temporary line marking, and neighbouring residents will be notified separately in advance.

Full access to all properties will be provided under traffic management.
PROPOSED STAGE 2 – Wanneroo Road / Golf Links Drive

Upon opening the upgraded intersection at Carramar Road in early April 2018, it is proposed that the intersection of Wanneroo Road and Golf Links Drive is closed to traffic until early May 2018. Road users will be notified of the dates for the road closure through signage at the intersection, following opportunity for community comment and City of Wanneroo approval.

Plans showing the proposed extent of the temporary road closure and associated traffic diversions are shown below.

The road closure and associated traffic diversions would remain in place all day and night for the duration of the work period. Construction work hours are from 7am to 7pm Monday to Saturday. Some night work may be required for activities such as kerbing, sealing of the road and temporary line marking, and neighbouring residents will be notified separately in advance.

Full access to all properties will be provided under traffic management.

Community comment invited

Submissions on the proposed temporary road closure of Golf Links Drive and associated traffic diversions can be sent to enquiries@mrialliance.com.au addressed to the Wanneroo Road Widening Project Manager, before 30 March 2018.
