

Wanneroo Road / Joondalup Drive Interchange

CONSTRUCTION OF A BRIDGE AT JOONDALUP DRIVE OVER WANNEROO ROAD

ISSUES

- Wanneroo Road is an alternate route to the Mitchell Freeway, providing access between Perth CBD, Joondalup and the North West corridor.
- The intersection of Wanneroo Road and Joondalup Drive is the 6th most congested in the Metropolitan Area.
- Road users experience congestion and delays, unreliable journey times and heightened safety risk.

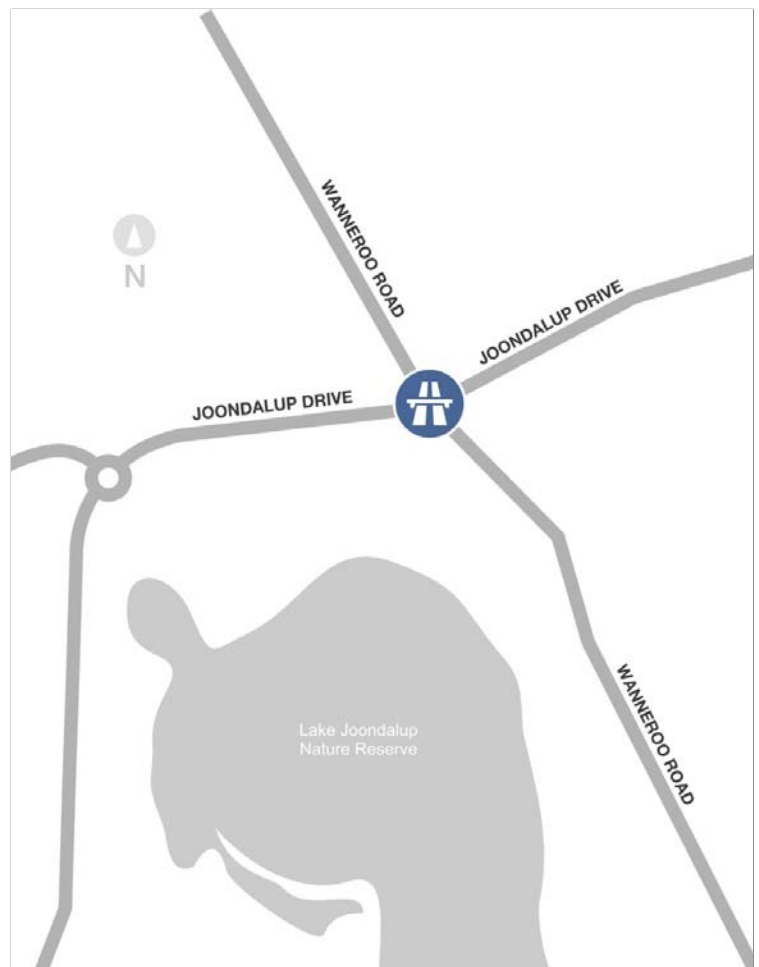

BENEFITS

-  **Improve connectivity and travel times for local business and community**
-  **Improve safety for all road users**
-  **Support economic activity through provision of a more efficient road network**

ESTIMATED COST
\$50 million

JOBS CREATED *
280

Construction expected to begin in mid-2018

Australian Government
