

Wanneroo Road Widening

Joondalup Drive to Flynn Drive

Notice to residents

Update on site establishment and construction activities

The Metropolitan Road Improvement Alliance, on behalf of Main Roads WA, is delivering the **Wanneroo Road Widening, Joondalup Drive to Flynn Drive**, project in your area as part of a \$2.3 billion package of road and rail infrastructure projects funded by the Australian (\$1.6 billion) and State (\$750 million) Governments.

The project will see the 3.2 km section of Wanneroo Road between Joondalup Drive and Flynn Drive upgraded from one to two lanes in each direction to alleviate current congestion and enhance road safety. Construction will start shortly and continue to late 2018.

Detailed design is being finalised, which will confirm the alignment of the widened road, the design of the Golf Links Drive and Carramar Road intersections, and the location and design of noise walls on the eastern side of Wanneroo Road between Joondalup Drive and Carramar Road.

Work activities in the area

Construction will soon start to build the first section of the new road alignment, on the eastern side of Wanneroo Road, between Joondalup Drive to just past Carramar Road (near the quarry).

Construction activity in this area is expected to start in early November and continue to mid-2018.

Our personnel are currently working in the area to prepare the site for construction. Activities you may notice over the coming weeks include:

- Installation of temporary barriers along Wanneroo Road at night (underway)
- Installation of temporary fencing along the road reserve, to fence off the construction site for public safety (underway)
- Essential clearing of vegetation and earthworks in the road reserve
- Other site establishment activities, ahead of construction.

For more information

- Visit our community information display at **Carramar Village Shopping Centre on Saturday 28 October**, 9am-4.30pm, to view the design and discuss the project with the project team.
- Visit the project page on the Main Roads' website www.mainroads.wa.gov.au
- Contact the Main Roads' Customer Information Centre on **138 138** or enquiries@mainroads.wa.gov.au and a member of the project team will return your call.
