

Wanneroo Road Widening

Joondalup Drive to Flynn Drive

Roadworks Update

Sunday works on Wanneroo Road from Joondalup Drive to Flynn Drive throughout October until 16 December 2018.

The Metropolitan Road Improvement Alliance (MRIA), on behalf of Main Roads, is delivering the **Wanneroo Road Widening, Joondalup Drive to Flynn Drive**, project in your area. The project will see the 3.2 km section of Wanneroo Road between Joondalup Drive and Flynn Drive upgraded from one to two lanes in each direction to alleviate congestion and enhance road safety. Construction is scheduled to be complete in late 2018.

Sunday works on Wanneroo Road from Joondalup Drive to Flynn Drive

The City of Wanneroo has approved an extension of daytime works to be undertaken on Sundays throughout **October until 16 December 2018**.

Works on a Sunday will occur between 8am and 4pm.

This extra day of work will allow the project to avoid further delays and meet the scheduled completion of early 2019.

Work activities and noise management

Activities will be similar to standard weekday works including earthworks, delivery of materials and road construction. Equipment and vehicle movements may create some noise for adjacent residents. To minimise disturbance to residents as much as possible, an out-of-hours noise management plan has been prepared by MRIA and approved by the City of Wanneroo.

We thank you for your understanding and patience.
