Changes to existing detours

The eighth phase of PSP detours will commence in March 2020. The changes include the removal of the detour between Kentucky Ct and Berrigan Drive. This will further reduce journey times between Beeliar Drive and Berrigan Drive and the number of cyclists detoured on the local road network.

The detour from Berrigan Drive will follow its existing alignment to Bolderwood Drive in South Lake. It will then divert through Bolderwood Reserve, over the railway line and exit at Dowell Place where it will reconnect with the existing detour.

The opening of this upgraded section of PSP follows the opening of the Russell Road to Cockburn Gateway PSP in November. In March the project will have opened 5kms of upgraded PSP.

Works are progressing to finalise the PSP upgrade from Berrigan Drive to Farrington Road with the opening scheduled for April.

Ongoing detour

The Armadale to North Lake Road Bridge Project has now commenced. The existing PSP detour between Beeliar Drive and Kentucky Ct will remain in place to separate PSP users from construction activity during the building of the North Lake Road Bridge. Once the Bridge construction is complete, this section of PSP will be upgraded and reopened to the public.

Acknowledgement

We understand that lengthy closures of the PSP and detouring of cyclists and pedestrians can be frustrating. We are grateful for your patience while we build these world class cycling and pedestrian facilities.

Changes to access points

The PSP access points have changed in the newly upgraded section of PSP. To view notifications and maps of the changes, visit https://project.mainroads.wa.gov.au/home.

Signage

Temporary signs are being replaced showing the revised detour route maps at PSP entry points. (See maps over the page.) Directional signage is in place to guide cyclists through the detour route.

Staying up to date

To stay up to date with the project, subscribe to email notifications via our project webpage at https://project.mainroads.wa.gov.au/home.

We have also set up a 24/7 project information line that can be contacted on 138 138 or email enquiries@mainroads.wa.gov.au.
