

# NorthLink WA Traffic Update

## Permanent traffic changes at Marshall Road flyover and Hepburn Avenue interchange

Great Northern Connect (GNC), a joint venture between BGC Contracting and Laing O'Rourke is working in partnership with Main Roads to deliver the NorthLink WA central section.

### What's happening at Marshall Road flyover and Hepburn Avenue interchange?

#### November 2018

From late November 2018, the Marshall Road flyover will be open to traffic on NorthLink WA central section. With the new Reid Highway bridges on stream, this represents another significant milestone towards the completion of this major initiative.

The flyover will make your journey between Ballajura, Malaga and Beechboro faster and safer, moving motorists, cyclists and pedestrians further away from the construction works.

A temporary shared path is in place along the northern side of Marshall Road, connecting to the existing path on Beechboro Road North.

#### December 2018

In early December 2018, the roundabout at the new Hepburn Avenue interchange will be partially open to traffic and cyclists. The roundabout will enable the east-west traffic flow between Hepburn Avenue and Beechboro Road North.

A temporary roundabout at Pass Way and Beechboro Road North, will direct traffic to and from the new permanent alignment at the Hepburn Avenue interchange.

The roundabout at the Hepburn Avenue interchange will initially open on one side as a single lane in each direction to enable further construction to progress. When the interchange is complete, there will be two lanes in each direction.

### Where can I find out more information?

For queries relating to NorthLink WA central section (Reid Highway to Ellenbrook) please call Great Northern Connect on **1800 874 998** or email [info@gncjv.com.au](mailto:info@gncjv.com.au).

You can also find out more information about NorthLink WA at [www.northlinkwa.com.au](http://www.northlinkwa.com.au). Join us on Facebook, search 'NorthLink WA Community Group'.

### Thanks for your patience

If you're travelling through roadworks along NorthLink WA, slow down and enjoy the ride – the benefits will be worth it. Your patience and cooperation is appreciated while we undertake these vital works.

**The \$1.02 billion NorthLink WA initiative is jointly funded by the Australian (\$821m) and Western Australian (\$204m) governments.**
